LETTER OF APPRECIATION

On behalf of the National Cyber Emergency Response Team (National CERT) of Pakistan, I extend my sincere appreciation for your dedicated participation in the **CyberNest Initiative**.

CyberNest represents our commitment to developing the next generation of cybersecurity professionals by providing hands-on experience with cutting-edge tools, technologies, and industry best practices. Your engagement and contributions during this program have been exemplary and reflect your genuine commitment to excellence in Information & Cyber Security.

The skills and knowledge you have acquired through this initiative position you well to meet the challenges of today's rapidly evolving digital landscape. We are confident that you will leverage this experience to make meaningful contributions to Pakistan's cybersecurity ecosystem.

We commend your dedication, and enthusiasm throughout the program and wish you continued success in your future endeavors.

Dr. Haider Abbas, TI
